For best use:
Do not store
food directly
in outer flask.
Please use
containers
to store food
contents.

PRIMUS®
Deluxe Vacuum Flask

Large opening

Press down spout release

The Primus Deluxe Flask is ideal for camping, picnics, worksites and other outdoor activities.

It features a body made from high quality 18/8 stainless steel and BPA free plastic.

The retractable handle folds down for easy storage. Vacuum and copper plated walls offer better heat retention for hot beverages.
