## DOUBLE ACTION HAND PUMP

12  
LITRE

### FEATURES

- 12 litre pumping capacity
- Lightweight and easy to use
- Disassembles easily for inspection or maintenance
- Ideal for inflating large items such as air beds, boats and beach balls

Part No. AI4450

The easy to use Kookaburra Double Action Air Pump provides a continuous stream of air by pumping air on both upward and downward strokes.

Made of lightweight, non-corrosive plastic and featuring a large handle and foot plate for stability during use.

The unique hose locking system prevents the hose from unfastening from the pump while in use.
